

E2E Networks Pvt. Ltd.

Providing Customers With

PEACE
&
UPTIME

Since 2009!

Trifecta of Services

Service Operations Center

System Administration

Dev Ops

We are helping customers change the rules of the game by using cloud, intelligently

Scaled from a few 1,000 to several million daily visitors

Scaled up during Auto Expo from 21,000 concurrents to over 100,000 concurrents.

Big sale events with zero downtime, despite huge spikes. Serving 450,000+ requests per minute.

24*7 RTB support for release operations. Solved multiple issues in Java stack

We have built one of the most comprehensive managed service offerings in the cloud
