Independent Auditor's Report on Half Yearly Financial Results and Year ended results of E2E Networks Limited (formerly known as E2E Networks Private Limited) Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

To the Board of Directors of

E2E Networks Limited (formerly known as E2E Networks Private Limited)

1. We have audited the financial results of E2E Networks Limited ('the Company') for the year ended March 31, 2019, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to Note 1 to these financial results regarding the figures for the half year ended March 31, 2019 as reported in these financial results, which are the balancing figures between audited figures in respect of the full financial year and the published figures for the first half of the financial year. Also, the figures up to the end of the first half had only been reviewed and not subjected to audit. These financial results are based on the financial statements for the year ended March 31, 2019 prepared in accordance with the accounting principles generally accepted in India, including Accounting Standards specified under Section 133 of the Companies Act, 2013 ('the Act') and published year to date figures up to the end of the first half of the financial year prepared in accordance with the recognition and measurement principles laid down in Accounting Standard 25 for Interim Financial Reporting, specified under Section 133 of the Act, and SEBI Circulars issued in this regard, which are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial results based on our audit of the financial statements for the year ended March 31, 2019 and our review of financial results for the six months period ended September 30, 2018.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

Business Update

New Delhi, 6th May, 2019: EZE Networks Limited (NSE: EZE) a leading Company in Public Cloud Infrastructure announced its Annual financial result for the period ended 31st March 2019.

Results summary pasted below (Rs in crs)

Description	FY18	FY19
Total Revenue	36.3	34.2
EBITDA	18.1	11.4
PAT	5.8	1.7

Business Highlights:

- We continue to make significant efforts in augmenting our People and Engineering Capabilities. This has led to increase in employee benefits and other expenses
- We have increased our investments in infrastructure (including servers and others) in FY19 as against FY18 to add different capabilities to our Cloud Platform. This will help us in attracting customers with different use cases in future.
- Continue to maintain strong Balance Sheet with Cash and Cash Equivalent of Rs 21.4 crs as on 31st Mar'19
- Revenue reduced marginally due to decline in contribution from key customer. The customer has completely moved out effective May'19. The customer was contributing about 22% of the monthly revenue in Mar'19.
- Continued impetus on building our capabilities, broadly fixed overheads and decline in revenue has impacted our 2HFY19 performance.

Tarun Dua, Chairman and MD commented

"The last financial year had been an important year for our company as we completed a successful IPO. Further, we have made huge strides in attracting talent in Engineering, Sales and other functions. We witnessed major decline among the top clients in the second half of FY19 impacting our growth. We continue to make efforts of building a top-class team which helped us in addressing the same and pursue growth for future.

Tarun Dua

In the last few quarters we have launched very innovative and much appreciated solutions like Smart Dedicated Server, cPanel Nodes, among others. We are excited about these and will continue to add more solutions to our Public Cloud Platform. These efforts have helped us in increasing the flexibility of usage and improve the customer experience significantly. I am confident that E2E is building the right business model and the requisite capabilities to deliver in the medium to long term.”
